CLASS AVAILABILITY

To allow us to serve as many community members as possible, please only register your child(ren) for one swim lesson session, in any of the four sessions or private lessons. Any multiple registrations of a child for more than one session during the summer schedule, made before June 17, will be subject to a \$5 transaction fee and the child being removed from swim lessons. Classes are filled on a first come, first serve basis. You may sign up for additional sessions throughout the summer schedule beginning June 17.

DATE TRANSFER

A \$5 transfer fee will be charged for each transfer from one swim section to another after the initial registration. Please check your swim lesson time with other summer activities before registering

INCLEMENT WEATHER AND FACILITY CLOSURES

Occasionally inclement weather or facility closures will cause swim lesson classes to be postponed or cancelled. Please utilize the weather hotline, 515-963-3575, for up-to-date announcements and cancellations. During each session, the first interrupted class day will be held at regularly scheduled times in the guard houses of each aquatic center, with swimmers watching the Red Cross Longfellow's Whale Tales safety videos. Any subsequent make-up days will be rescheduled Friday of the same week.
